Thomas Choice

Community Public Meeting

Pond Retrofit

Project Site

Thurs, June 22nd 7:00 - 8:30 pm

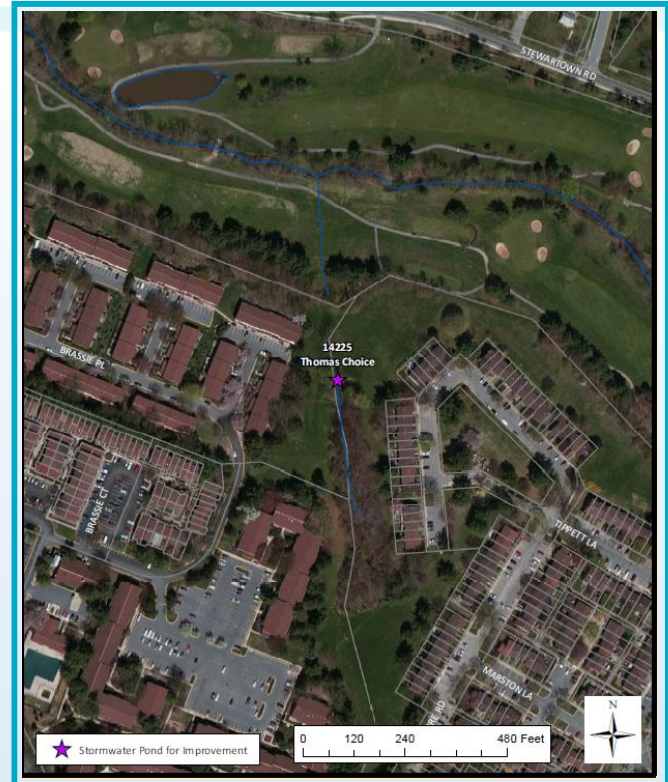

In case of inclement weather, call 240-499-8531

Meet at the Thomas Choice Gardens Party Room

Join Montgomery County's Department of Environmental Protection (MCDEP) to learn about the pond retrofit project in your community. The proposed project will upgrade and enhance the existing pond shown to the right.

We will present the current retrofit design and provide residents an opportunity to learn more about this project. You will be able to ask questions and provide feedback.

This project is part of the County's larger goal to reduce stormwater runoff, minimize pollution, promote infiltration, and restore stream conditions in the Seneca Creek watershed, the Potomac River, and the Chesapeake Bay.
